Becoming a Tinker

- Gain the traits in the Core Tinker Traits table.
- Gain the Tinker's level 1 features.

Tinker Class Features

As a Tinker, you gain these features at the Tinker levels shown in the Tinker Features table.

Level 1: Spark

You can strike a harmless spark from your fingertips as a Bonus Action. You can do so the number of times shown in the Charges column of the Tinker Features table, and you regain every use when you finish a Long Rest.

Level 2: Gadget

You build a palm-sized gadget that can hold one small object.

Level 3: Tinker Subclass

You choose a Tinker subclass, such as the Clockwork Path.

Level 4: Ability Score Improvement

You gain the Ability Score Improvement feat or another feat of your choice.

Level 5: Overclock

Your gadgets run faster. Roll the die in the Dice column when one of them acts.

Tinker Features

Level	Proficiency Bonus	Class Features	Charges	Dice
1	+2	Spark	2	1d4
2	+2	Gadget	2	1d4
3	+2	Tinker Subclass	3	1d6
4	+2	Ability Score Improvement	3	1d6
5	+3	Overclock	4	1d8

Tinker Subclass: Clockwork Path

Clockwork tinkers listen to the ticking of the world and keep its time.

Level 3: Gears

You fit tiny gears into any device you touch, and it works a little better.

Level 5: Escapement

Once per Short Rest, you slip free of anything that holds you.
