Talents

Steady Hand

Tier: 1

Prerequisites: Agility 30

Aptitudes: Ballistic Skill, Finesse

The wayfarer has learned to still a trembling grip. Once per round, he may ignore a penalty imposed by his own movement when making a ranged attack.

Lantern Sense

Tier: 2

Prerequisites: Perception 35

Aptitudes: Perception, Fieldcraft

Long nights on the road have taught the wayfarer to read shapes at the edge of the lamp's reach. He suffers no penalty to Awareness tests in dim light.

Iron Stomach

Tier: 1

Prerequisites: Toughness 30

Aptitudes: Toughness, Defence

Spoiled rations and brackish water rarely trouble the wayfarer. He may re-roll failed tests to resist ingested toxins.

Quiet Tread

Tier: 3

Prerequisites: Agility 40, Steady Hand

Aptitudes: Agility, Finesse

The wayfarer moves without disturbing gravel or leaf. Opponents suffer a -20 penalty to hear him approach.

Denizens

The marshes harbour many strange beasts. One is described below.

Afflictions

Prolonged exposure to the marsh-mists leaves its mark. Roll on the table below.

Table 2-1: Mutations

D100	EFFECT
01–30	Mottled Skin: Patches of the wayfarer’s skin turn grey and rough, like bark after rain.
31–60	Webbed Fingers: Thin membranes grow between the fingers; the wayfarer swims with ease.
61–90	Lantern Eyes: The wayfarer’s eyes catch the light and glow faintly in the dark.
91–100	Reed Voice: The wayfarer’s voice becomes a thin whistle, carrying far across water.
